

A message from:
Greets Green & Lyng
Neighbourhood Policing Team

Your local police number: 101

Dear Parents/ Drivers

We have received a number of complaints from local residents about the parking in and around the School and concerns for the safety of pupils.

Resident/Teachers have raised concerns that cars are creating an obstruction by parking dangerously on the bend, over dropped kerbs, completing dangerous manoeuvres, stopping on zigzag lines and allowing children to disembark parent's vehicles at great risk to the child.

We would like to make all parents aware that PCSO's will be conducting patrols with the intention of recording and photographing evidence. Those caught in contravention of road traffic offences will be issued with £90 fixed penalty notices.

This is considered as a priority of officers due to the inflated safety risk created where parking/stopping and waiting contraventions are ignored.

Officers and Sandwell borough council civil enforcement officers will continue to regularly patrol the area.

If you are affected by problem parking, contact one of our team on: 101 Extension: 811 3124 we will endeavour to deal with the problem.

We welcome any feedback you may have and you can do so by calling us on 101 or by visiting our website on www.west-midlands.police.uk. If you type your postcode into the search engine it will take you to your local neighbourhood web page. You will then be able to email us directly if you wish to do so.

Yours Sincerely

PCSO 30352 Yates & PCSO 30960 Pochron
