Dear Parents/Carers,

Year 1 – Phonics Screening Check

We would like to invite you to a Year 1 Parents Information Meeting on Friday 17th May at 8.45am. This meeting will give an overview of the Year 1 Phonic Screening Check that will take place in June 2019 for all Year 1 children. It will also offer ideas of how you can continue to support your child at home.

The screening will take place during the week beginning Monday 10th of June and will be part of the normal school day. The children will all complete a Phonic Assessment based on real and nonsense words in order to assess their ability to read and blend the given sounds. We will report the results to you individually.

We would recommend that all parents aim to attend this meeting as it is important that you understand the assessment process.

Please return the slip below to confirm your attendance.

Finally, I'd like to take this opportunity to thank you for the support that you are giving your child with their phonics. Regularly practising their sounds and the tricky words will help them enormously to make progress with their reading and writing. However, there have been several occasions in the last few weeks when we have wanted to listen to the children read and they have not had their reading book in school. All children must also bring their reading books and reading record book to school every day so that we are able to listen to them.

Many thanks for your continued support,

Mrs Trapani

I will / will not be able to attend the Year 1 Phonics Screening information meeting on Friday 17th May 8.45am.
