

TRICKY

Below are the Year 3 tricky words we would like you to discuss each day. There is a slot on the timetable for this; 1pm – 1:15pm. You don't need to do any writing with this activity, unless you want to.

Steps:

- 1) Read each word
- 2) Discuss with an adult what it means.
- 3) Verbally put the word into a sentence to show that you understand its meaning.
- 4) **If there are any words you struggle to understand, write them down and discuss these daily.**
