Footprint Carrots

Supplies

- A4 sized blue card or paper
- Brown card or paper
- Orange paint
- White paper
- Green card or pipe cleaners
- Sticky tape

- Scissors

1 Using the paintbrush, cover each foot in orange paint. Then print onto white paper and leave to dry. Don't forget to wash your feet afterwards!

2 Wait until dry and then using scissors, cut around the footprints.

3 Cut out strips of green card and stick them onto the back of each footprint at the toe end. Alternatively you could use green pipe cleaners.

4 Now make the background scene. To do this, take the blue paper/ card and lay it horizontally. Then stick some brown card or paper along the bottom of the paper (this will be the soil). Finally, stick the carrots onto the paper.
