

Look at the picture and answer these questions in your mind.

Focus on the whole picture- what can you see, what would it smell like, feel like, taste like, what sounds can be heard?

Close up- focus on one part of the picture and imagine touching it- what does it feel like?

Focus on separate parts: the leaves,

the bark, imagine the root system.

What creatures use this tree, why and how?

Who has visited the tree and why?
