## **Comparing Circulatory Systems**

Label the heart, lungs and blood vessels (you only need to identify one of the blood vessels not all) above.

Compare the circulatory systems of the human and the dog:

What is the same?

What is different?

## **Comparing Circulatory Systems**

Compare the circulatory systems of the human and the bee:

What is the same?

What is different?

## **Comparing Circulatory Systems**

Compare the circulatory systems:

How are they similar?

How are they different?
