Dear Parents/Carers,

Firstly, thank you for supporting the school and working so hard to keep all our children safe through these unprecedented times.

With this in mind, we all need to remain vigilant and we can help by doing simple things. Therefore, can you please ensure that your child's uniform is clean, as dirty/soiled clothes harbour germs and bacteria.

We have no expectation of clothes being washed every day, but yogurt and spills are not expectable practice and is detrimental to children's self-esteem. So please may I ask that you check them daily.

We politely remind you that our school uniform policy remains in place.

Thank you for your continuing support.

Yours sincerely

Miss Graham
