

*Year One ICT objectives.*

- Use technology safely and respectfully.
- Keep personal information private when using technology.
- Know how to ask for help if they feel unsure about online content

In simple terms, online safety refers to the act of staying safe online. It is also commonly known as *internet safety*, *e-safety* and *cyber safety*. It encompasses all technological devices which have access to the internet from *PCs* and *laptops* to *smart phones* and *tablets*.

*There are many ways to access the internet today.*

*Can you name the devices?*

*What devices do you use?*

Last term...

We discussed *sharing pictures*, asking *permission* & the importance of *consent*.

*Our key message was ...*

*If you are ever worried by anything online, you should tell a grown-up that you trust, who will help you.*

*L.O. To understand how to communicate safely online.*

*- To keep personal information private when using technology.*

*Success Criteria:*

- I can explain what each letter of SMART stands for.*
- I can spot when something online might not be safe.*
- I can explain what to do if something online is not safe or upsets me.*
- I can make links between the offline and online world.*

# SMART Zoo

Welcome to SMART Zoo. This zoo is very special because all the animals love to go online and use the Internet!

This is Spud Smart.  
He's the zoo keeper and  
it's his job to remind all  
the animals to stay safe online

To do this, Spud follows the SMART rules.

S for safe

What should Ella Elephant have done?

M for meet

What should Lee Lion have done?

A for accept

What should Mia Monkey have done?

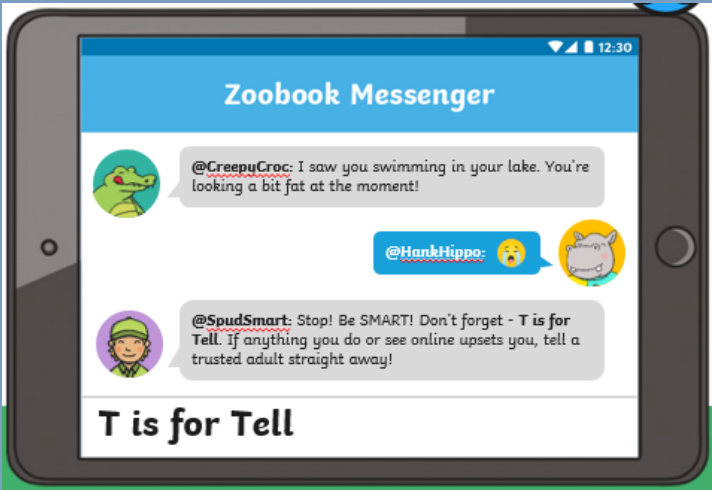

## R for reliable

What should Mia Monkey have done?

T for tell
