Dear Parents/Carers

Ryders Green unfortunately has taken the decision to close until Friday 15th January, this may be extended so please check school website and messages.

We will remain open for children of Key Workers and for those children who absolutely need to attend. For clarity, this means that even if children have a Key worker parent, if there is another childcare solution, for the safety of the child and of the community this option should be taken.

You will be receiving a phone call from your child's teacher regarding logins for school work and online learning.

If you have any questions please call the school office. Many thanks for your support and understanding.

Miss L Blackmore
