Dear Nursery & Reception Parent/Carer,

This year we will be holding our annual Easter Bonnet Parade online. We would like your children to be make an Easter Bonnet at home. We would then like you to take a photograph of your child wearing it and send it into school via ict@rydersgreen.sandwell.sch.uk we will then display them on the school website. A small number will be shortlisted for you and your child to vote for your favourite via your child's google account.

We encourage you to work alongside your child and use this quality time to discuss ideas and design, as this greatly improves speaking, listening and understanding.

If you need inspiration, many good and simple ideas, can be found on websites such as Pinterest or Google images – searching the web together for ideas lends itself to technology and the world, computer skills.

Making and modifying are great ways to develop their fine motor finger skills, their control of tools, and showing them how to do things and letting them try, is an excellent learning experience.

Be as creative as you like.

Closing date for photos to be sent in is Wednesday 31st March 2021.
Voting for shortlisted entries will take place on Friday 2nd April 2021.

All children will receive a chocolate egg for taking part and the winners something extra.

Finally, keep checking the website for lots of information and competition prizes
