Date: 25th May 2021

To Parents/carers of Ryders Green,

We are pleased to confirm that all Covid Surge Testing for the Indian variant that was recently undertaken at school, have been returned negative — Just as we expected because we did everything right!

We would also like to reiterate; there were never any positive cases in school.

Following Government guidelines, we will continue to keep up our strict regime of requesting families to take tests or self-isolate when necessary in order to keep everyone safe.

Thank you to everyone for your cooperation.

Miss L Blackmore
Head Teacher
