Hello from SIPS Catering!

For anyone that doesn't know us, we're part of the SIPS Education family - a non-for-profit organisation based in West Bromwich. SIPS provides a range of services to schools, and we're proud to be the caterer of choice for your child's school. We're education catering specialists and work in partnership with lots of schools in the local area.

We have been working throughout the pandemic to continue to provide lunches in a variety of ways and would like to thank you for your continued custom. This new menu is hot off the press and full of great dishes that we're really excited about!

We're looking forward to saying hello in person sometime soon, as we love to attend events in school and chat with pupils and families.

With Best Wishes from SIPS Catering

A Big Thank You!

This last year has shown more than ever the importance of working together and supporting each other, and we would like to take this opportunity to thank all our stakeholders and a special thank you to all the catering staff for all the support we have received over the last few months.
