Dear Parent/Carer,

For many years, the school has used SIPS Catering as our school meals provider and we are grateful for the service they have provided.

From April 1<sup>st</sup> 2022, Ryders Green Primary School will be changing meals provider to Dolce Catering. More information about the company is enclosed.

Please note, payments will no longer be made through ParentPay for school meals.

The stand out feature for this provider was the online pre-ordering facility and I hope you make the most of this feature.

The decision to change provider was based on the feedback received by the children and yourselves.

We look forward to hearing your feedback on this provider.

Yours sincerely

*L. Blackmore*
