Remembrance Day is a day where people remember the soldiers. The soldiers fought in World War 1 and World War 2.

### What some people do on Remembrance Day.

On Remembrance Day some people think about the soldiers which use to fight. Some people make poppies and write about the soldiers.

We do a minute silence to remember the brave soldiers who sacrificed their life to protect everyone.

### What did the soldiers do to help everyone?

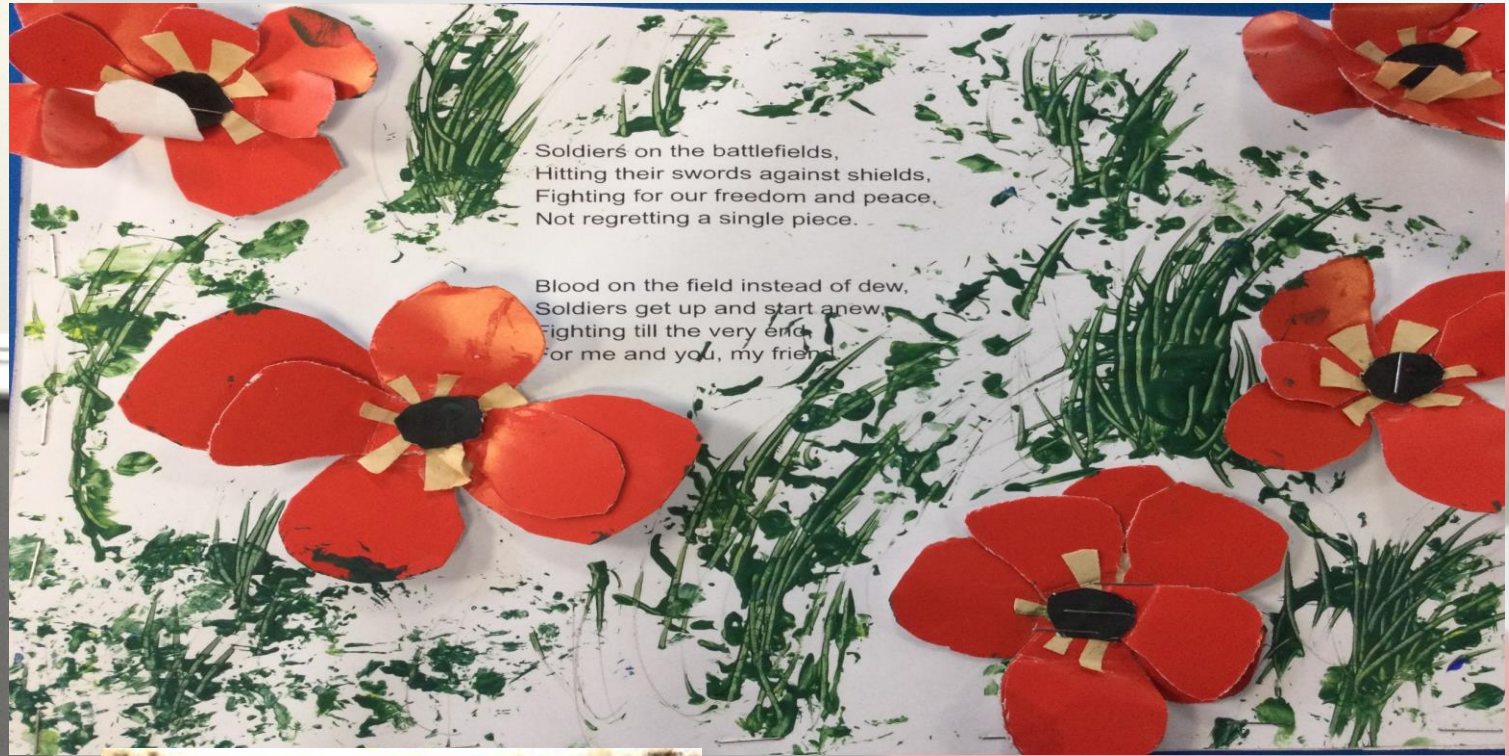

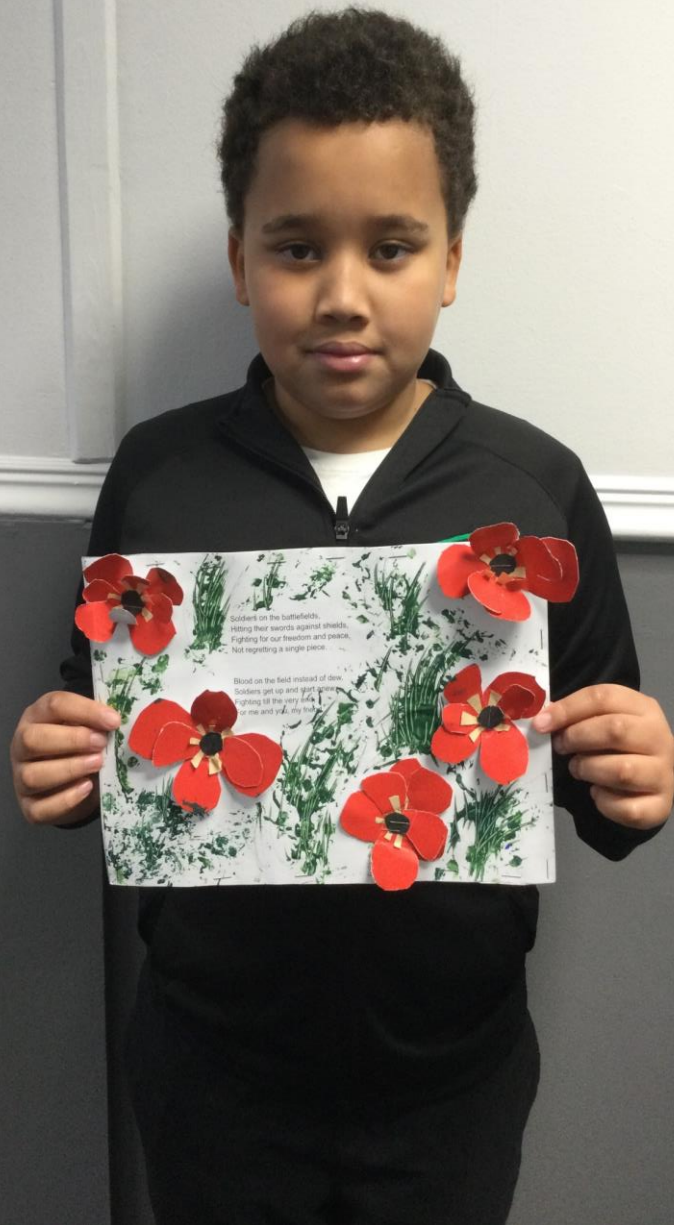

The soldiers helped everyone by fighting the enemies in a war. They fought in two wars. Sadly, some soldiers didn't survive so on Remembrance Day we remember them.

Soldiers on the battlefields,  
Hitting their swords against shields,  
Fighting for our freedom and peace,  
Not regretting a single piece.

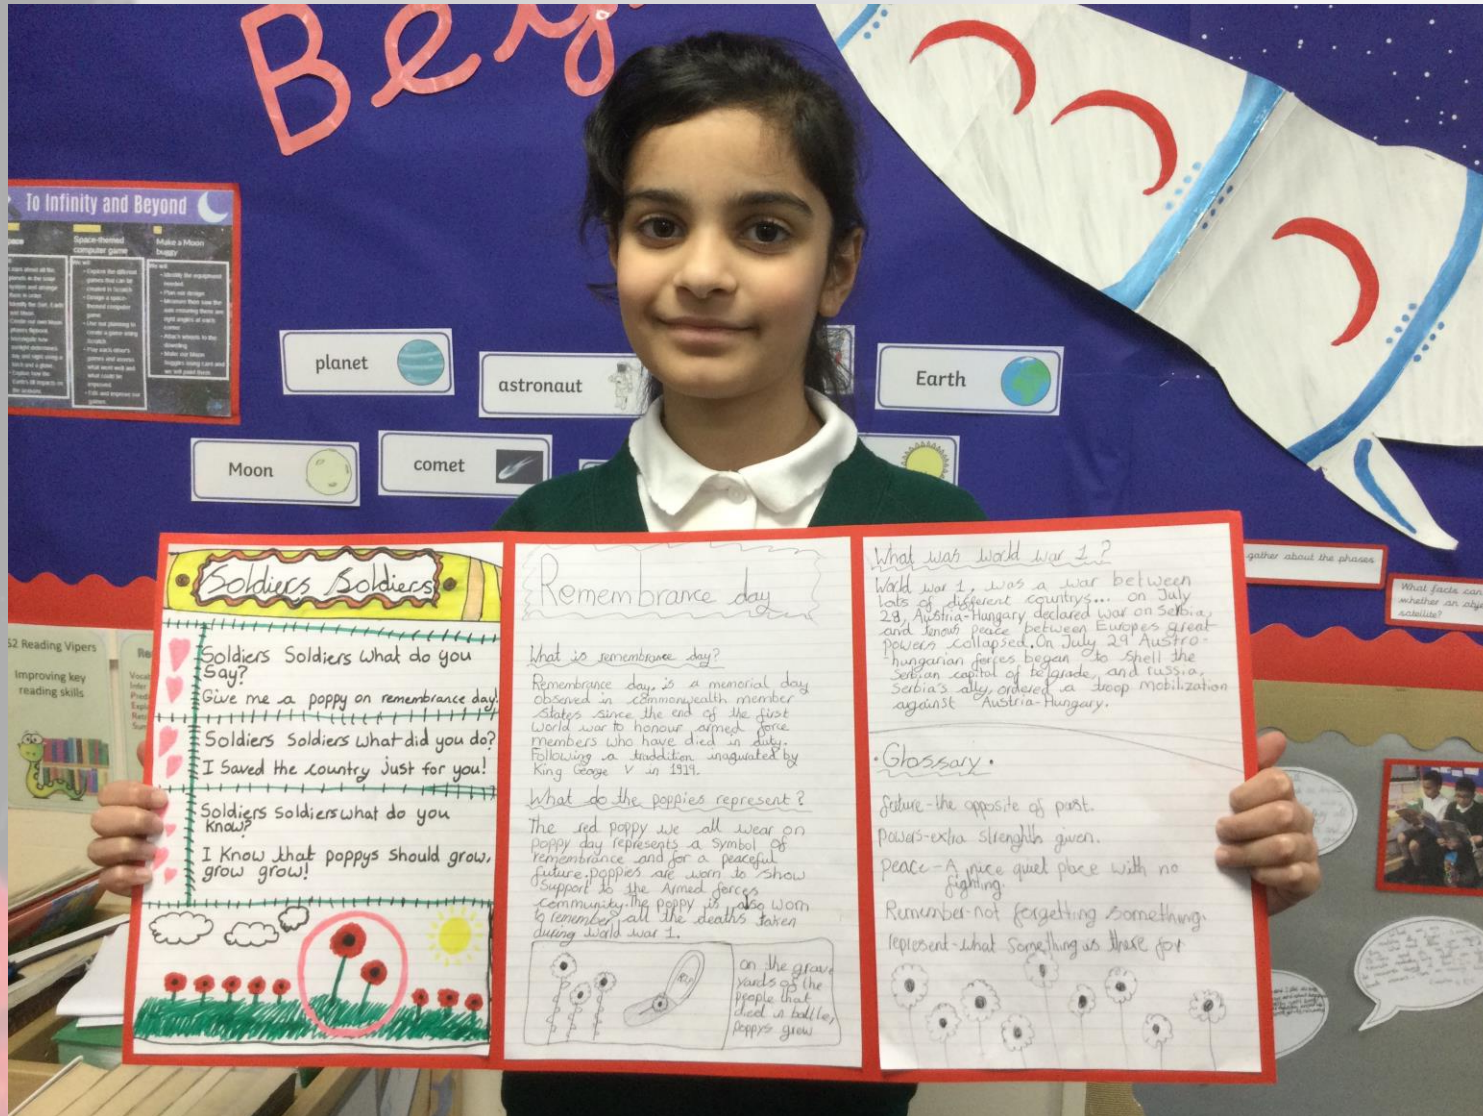

Blood on the field instead of dew,  
Soldiers get up and start anew,  
Fighting till the very end,  
For me and you, my friend.

## Remembrance day

What is remembrance day?  
Remembrance day is a memorial day observed in commonwealth member states since the end of the first world war to honour armed forces members who have died in duty. Following a tradition inaugurated by King George V in 1919.

What do the poppies represent?  
The red poppy we all wear on poppy day represents a symbol of remembrance and for a peaceful future poppies are worn to show support to the armed forces community. The poppy is also worn to remember all the deaths taken during world war 1.

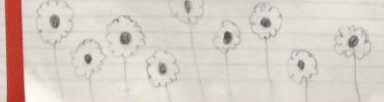

## What was world war 1?

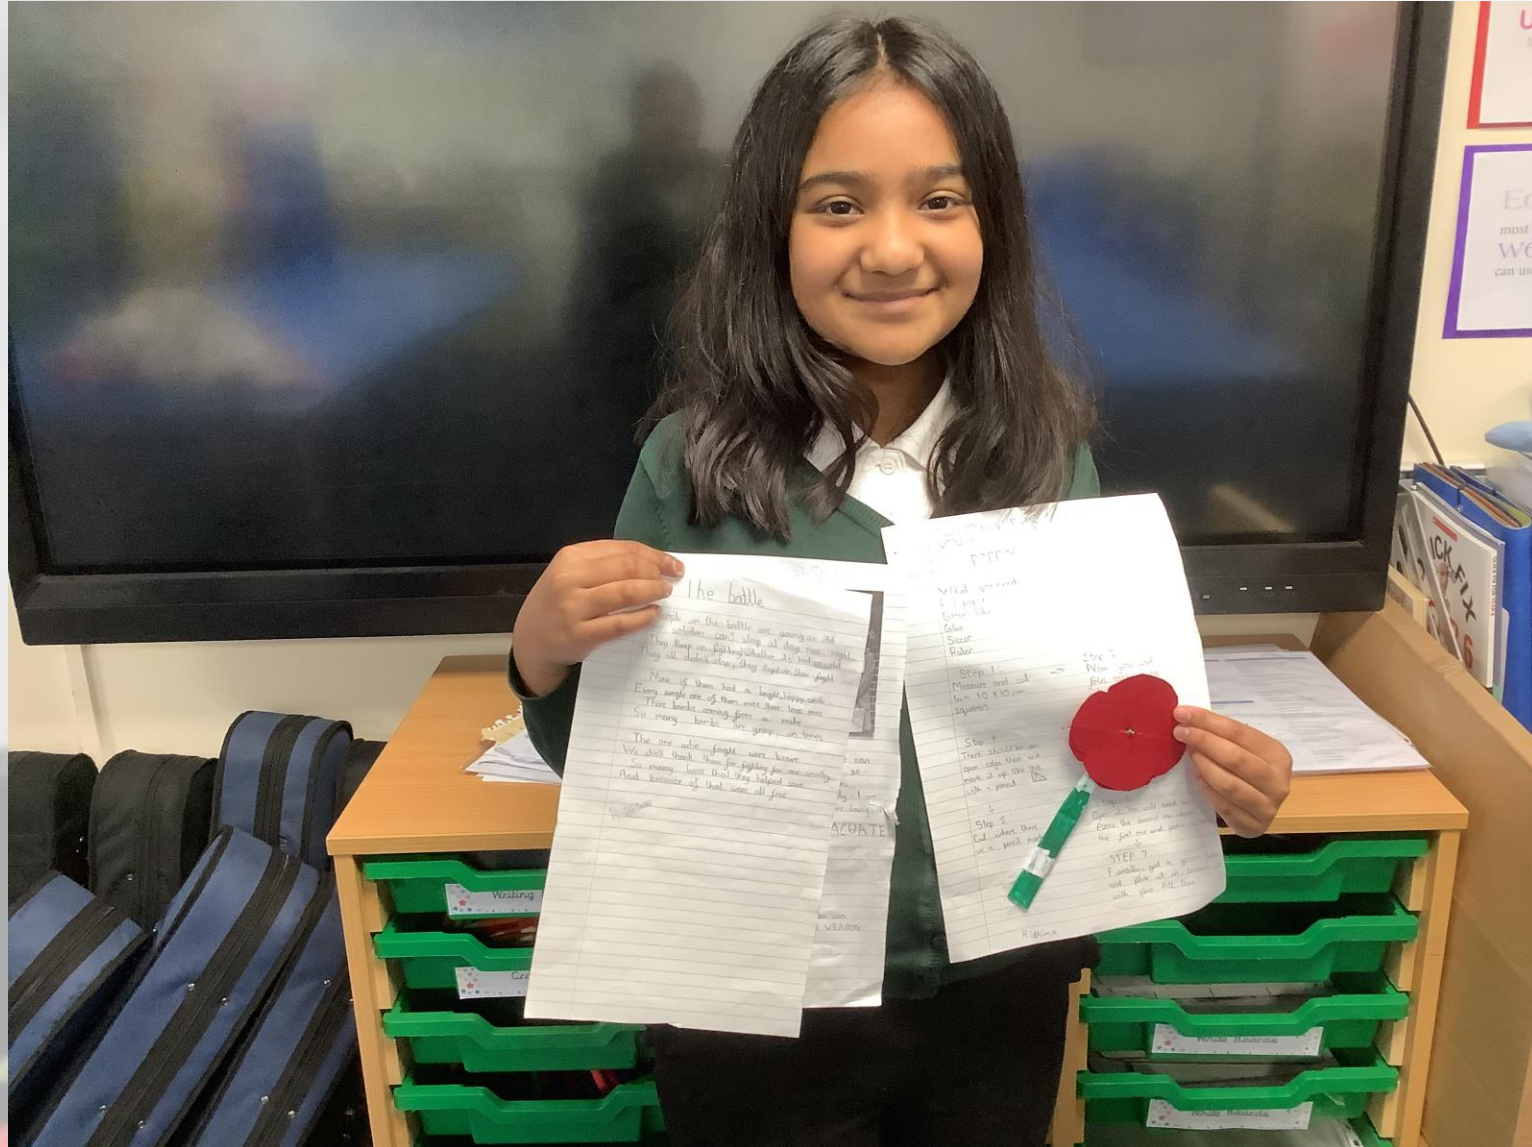

World war 1, was a war between lots of different countries... on July 28, Austria-Hungary declared war on Serbia, and soon peace between Europe's great powers collapsed. ### Horror of the Battlefield

Intense breaths, heavy chests  
Tearing eyes and muffled cries  
Close together no exit now ✓  
We have to escape any how. ✓

The bombs crushed the soldiers down  
as they ruined the ancient towns  
And towards our distant rest began to bridge  
as the sound became too much.

They took many breaths  
as they witnessed many deaths  
bodies are on the ground  
collapsing all around.

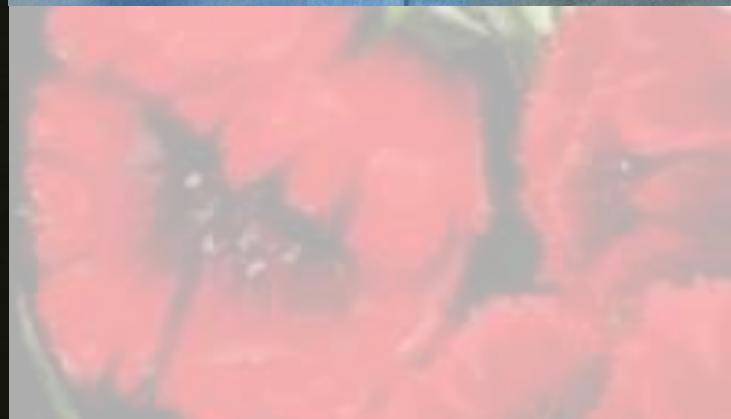

Letters flying everywhere  
Pick them up if you dare  
The sounds are like gunshots  
And people hide in many spots.

The soldiers hearts are racing, pounding  
While people are all surrounding  
There are the sounds of machine guns and grenades  
The valley vibrated with Deaths serenade
