Date: 5<sup>th</sup> January 2023

Dear Parents/Carers,

As part of your child's Science topic on Light, we will be visiting the Think Tank in Birmingham. The visit will take place on Wednesday 11th January. We will be taking The Green Bus leaving in the morning at 9:15am and we will return to school at 3pm. Children can be collected at the usual time of 3:15pm. Children must wear full school uniform.

Throughout the day, children will build on prior learning from units that we have covered previously, learn new and exciting things about light and will also have the opportunity to explore other areas of the museum linked to upcoming science topics. There will also be an hours teaching session called 'Luminous Light' with a member of the Think Tank's team.

For those children who receive free school meals, a packed lunch will be provided. All other children will be required to bring their own packed lunch. We kindly ask that packed lunches do not include fizzy drinks or any items containing nuts. Children will have to carry their packed lunches around with them and we therefore advise that lunches are placed in a carrier bag which can be thrown away after they have eaten or a suitable backpack.

The school are covering the cost of this trip and it is therefore free for children. Please complete the reply slip and the attached form and return them by Monday 9th January 2023 at the latest.

Thank you

Year 3 Team

I give permission for my child to attend the visit to the Think Tank on 11/01/2023
