

Ryders Green Primary School

Year 3—Curriculum Overview

At home:

- Your child should aim to read for 5-10 minutes daily. Please remember to sign their reading record.
- Century Tech homework will be set every Friday and should be completed by the following week.
- Please remember to check the calendar for swimming and P.E dates.
- Children should be actively using Bug Club, TTRockstars and Spelling Shed to support their learning.

Positive interdependence

Equal participation

Individual accountability

Simultaneous interaction

Making the most of every child's one chance.

Summer 1

In English we will:

- Continue to develop our inferential and prediction skills.
- Improve our ability to find evidence within a text and develop further questioning around a text.
- Learn how to use fronted adverbials to describe place.
- Learn how to write a story extract.
- Learn how to use tense correctly, included past and present perfect tenses.

In Reading our focus is..

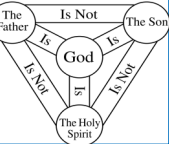

In RSHE we will:

- Consider what a positive, healthy relationship looks like.
- Show respect towards others and know how to support others when they are upset.

In R.E we will:

- Learn about what 'The Trinity' is and why it is important for people within the Christian faith.

In P.E we will:

- Develop skills required for a sense of direction and speed.
- Develop jumping and throwing techniques.
- Develop confidence in front crawl and backstroke.
- Improve capability and speed when moving across the water.

Maths:

- Learn how to count money including; adding, subtracting, converting amounts and giving change.
- Continue to develop our knowledge of fractions, including; identifying a whole, recognising tenths, finding a fraction of a set of objects and a fraction of a number.
- Further develop fraction knowledge by; comparing, ordering, adding and subtracting fractions.
- Recognise equivalent fractions.

In Music we will:

- Learn to play the trumpet.

In Geography we will:

- Learning about the different climate zones/biomes on Earth.
- Identify and label the equator, tropic of Cancer/Capricorn, norther and southern hemisphere.
- Read, interpret and use maps.

In French we will:

- Learn basic language such as numbers and the names of family members.

In Computing we will:

- Learn about the types of communication online.
- Learn about our digital footprint and the impact it can have.
- Learn how to communicate safely on the internet.

In Science we will:

- Learn about the skeletons of humans including animals.
- Learn about nutrition and where animals including humans get their nutrition from.
- Learn about the different food groups and what a balanced diet should look like.

In Design and Technology we will:

- Learn about foods from different cultures.
- Learn about where foods originated from.
- Learn how to accurately measure ingredients.

Where could my learning lead me?
