Dear Parents,

As part of our celebrations for King Charles III Coronation, we are providing the children with a home learning opportunity for Thursday 4th May 2023.

If you scan your QR code below, it will take you to the 'Home Learning' page on our school website, where you can find the documents for all of the different year groups. Alternatively, they can be found under the 'Homework and Online Learning' tab on the school website.

Children are invited to complete their projects, bring them into school on Friday 5th May 2023 to share with their class and they will also gain hours for Children's University in completion of the work.

Many thanks,

Miss Blackmore
