# *School Rules for everyone's safety!*

## School Driveway

We can see from our cameras that some parents are letting their children walk down the driveway and down the left side of the drive where the pavement comes to an end half way down. Please use the pavement on the right side of the driveway to prevent any serious accidents. We would also like to remind parents that they should only be driving down the driveway to pick up a sick child or in the event of an emergency - Big Brother is watching you!

## No Nuts In School

We have a number of children in school with nut allergies we therefore politely request that you do not send your child to school with anything containing nuts in their lunch boxes this is to prevent any one of those children having an anaphylactic shock - Thank you.

## No Smoking & No Dogs

May we remind parents and carers that we have 'no smoking' and 'no dogs allowed on the school site' policies

## Scooters or Bicycles

May we remind any parent / carer / child who comes onto the school premises riding a bicycle or scooter to please dismount and walk with their mode of transport to prevent any accidents. You should not be using the driveway unless it is an emergency or by prior arrangement - Thank you.

## *Swimming*

Yr3 & Yr2 Mondays

Yrs 5, 4 & 6

Thursdays

Please make sure they do not forget their kits as it is really important they learn this skill as one day, it might just save their life!

If your child develops a new medical condition i.e Asthma please notify the school office as well as their class teacher in order for us to update our systems.

# Attendance

**Our attendance target is 97%**

## Leave of absence during term time

We strongly recommend that you check term dates with school - especially before you book a holiday.

The Local Authority will issue **finest to parents whose children have unauthorised absence from school**. This can be anything from £60 - £120 per adult and per child and can rise to £2500 each!

If children are taken out of school during term time it is classed as unauthorised absence. If it extends to more than 10 days we can and will remove your child from roll. Attendance Services collect all absences and will take further action if necessary.

Please think carefully before booking a holiday in term time. You should consider the potential impact on your child's education. Statistics show that 10 days' absence in any academic year means pupils' learning suffers and they do worse in tests and exams. Remember that schools do not have to provide work for students taking holidays during term time.

If **appointments** in school time cannot be avoided please ensure an appointment card (or letter) is handed to the school office prior to the appointment. If your child is absent through sickness please provide medical proof in the way of medication labels or prescription slip. Wherever possible attend school prior to appointments and return to school following the appointment. You should **not** keep your child off school for the whole morning, afternoon or all day.

**Remember .....**

**You may get fined or even lose your child's school place if you take your children out of school during term time.**

**Antibiotics** .... We can administer your child's antibiotics just call by the office and complete a form. There is no need to keep your child off school.
