

Ryders Green Primary School

Year 1—Curriculum Overview

Autumn 1

At home:

- Your child should aim to read for 5-10 minutes daily. Please remember to sign their reading record.
- Please remember to check the calendar for swimming and P.E dates.
- Children should be actively using Bug Club, TTRockstars and Spelling Shed to support their learning.

Positive interdependence

Equal participation

Individual accountability

Simultaneous interaction

Making the most of every child's one chance.

Key dates:

- 18.09.23—19.09.23— YR 1 hearing checks.
- 02.10.23— Parents evening.
- 10.10.23—School Photographs.
- 20.10.23—HARVEST
- 27.10.23—Last day of term.

In English we will:

- Read the story 'A Squash and A Squeeze'.
- Learn how to write a setting description using adjectives.
- Learn how to write a character description to describe the Old Lady in the story.
- Learn to retell the main parts of a story.
- Read the story 'Mrs Mole, I'm Home'.
- Learn how to make predications based on clues.
- Learn to write sentences using capital letters and full stops.

In Reading our focus is..

In RSHE we will:

- Identify how we feel special and safe in class.
- Learn what being proud of achievements means.
- Learn what consequences are.

In R.E we will:

- Explore Christian beliefs about God.
- Explore forgiveness, through the story of The Lost Son.
- Learn how Christians show their appreciation of God.
- Learn about Christenings.

In Computing we will:

- Learn how to stay safe when using the internet.
- Learn how to find images using the internet.

In Maths we will:

- Sort and count objects.
- Recognise 1 more and 1 less.
- Compare groups using 'less than' 'greater than' 'equal to'.
- Count forwards and backwards within 10.
- Use a whole part model and number line to add and subtract.
- Add or subtract 1 or 2.
- Identify number bonds to 10.

In P.E we will:

- Explore and perform different balances.
- Learn to aim accurately using a variety of balls and equipment.

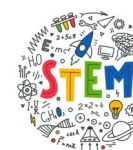

Where could my learning lead me?

Architect

Footballer

Builder

Scientist

Aspiration

In Geography we will:

- Identify and describe places we see around us.
- Learn to create simple plans of areas.
- Learn to understand and use a simple map.
- Learn compass points—North, East, South, West.

In Design and Technology we will:

- Learn about homes—their features, different types, materials used to build them.
- Design and create a model of a house.
