

Year 3 Autumn 1 Home Learning Project

Your homework project for this half term is based around this book.
You will have a pdf copy on your Century Tech to read at home.

Pages 26-31 Pharaohs

Research important facts about pharaohs.
Then focus on one of the pharaohs and
create a fact file including drawings.

Now design a crown for your pharaoh.

Pages 46-47 & 63 Pyramids

Build a model of a pyramid using materials
you have available at home.

Your pyramid must be of a strong
construction. Remember the pyramids have
lasted for 1,000's of years.

Pages 62 and 63 Timeline of Ancient Egypt

Use these pages to help you create your own timeline.
Use your research and facts you have learnt at
school to add further dates, illustrations and facts.

Pages 40-41 Afterlife

Pharaohs were buried with their
favourite possessions. If you had
to pick 5 of your favourite
possessions to be put into a time
capsule what would they be and
why would you select those?

Book Review

Write a review of this book. What did you
like/dislike about it? Why? Is there any thing that
you would add to this book?

Please return each activity to school
when complete.
