

Year 2 home learning project:

Task 1:

Complete a book review.

Task 2:

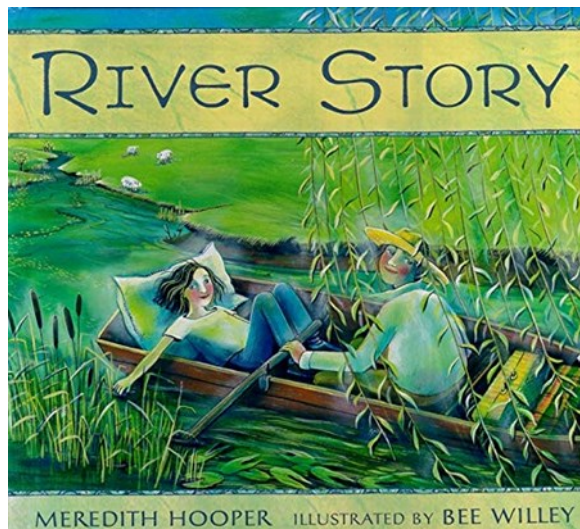

Find out about the river Tame (our local river).

Task 3:

Make a boat suitable for a river. Think carefully about the material you choose to make it from.

Task 8:

To find out how many rivers there are in the United Kingdom.

Task 4:

Draw a picture of the river Tame.

Task 7:

Do your own research on a river from a different country.

Task 6:

Do your own research on a river from the United Kingdom.

Task 5:

To research the longest river in the class.
