

Ryders Green Primary School

Year 3—Curriculum Overview

Spring 1

At home:

- Your child should aim to read for 5-10 minutes daily. Please remember to sign their reading record.
- Century Tech homework will be set every Friday and should be completed by the following week.
- Please remember to check the calendar for swimming and P.E dates.
- Children should be actively using Bug Club, TTRockstars and Spelling Shed to support their learning.

Positive interdependence

Equal participation

Key dates:

08.01.24— Return to school.

24.01.24—Rivers workshop (3J)

26.01.23 - Stone age day

Weekly— After school clubs —timetable found at <http://www.rydersgreenprimary.co.uk/experience-ryders/childrens-university/>

Every day is a Chance to LedRN

Individual accountability

Simultaneous interaction

Making the most of every child's one chance.

In English we will:

- Continue to develop our VIPERS skills.
- Continue to develop our inferential skills.
- Learn how to use fronted adverbials to describe place.
- Learn how to write a story extract.
- Learn how to use tense correctly, included past and present perfect tenses.
- Learn how to write an informal letter.
- Learn how to write a non-chronological report on the Stone Age.

In Reading

In RSHE we will:

- Consider our dreams and goals.
- Consider how to achieve goals and be able to identify what hurdles and emotions this may involve.

In R.E we will:

- Learn about what it is the Trinity and why is it important to Christians.

In P.E we will:

- Develop basic ball skills, including; throwing, catching, passing and control.
- PE will alternate every week

Maths:

- Learn how to multiply and divide 2-digit numbers by a 1-digit number.
- Learn how to measure length and perimeter including using the units of measurement correctly.

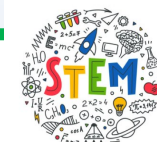

In Music we will:

- Learn to play the trumpet.

In History we will:

- Learn about the Stone Age, including when and where it took place.
- Learn about the pre-historic periods of time.
- Learn about the way of life for Stone Age people and how this has changed.
- Learn about how humans have evolved over time.

In French we will:

- Learn numbers to 20 and colours

In Computing we will:

- Learn about the types of communication online.
- Learn about our digital footprint and the impact it can have.
- Learn how to communicate safely on the internet.

Where could my learning lead me?

Trumpeter

Palaeontologist

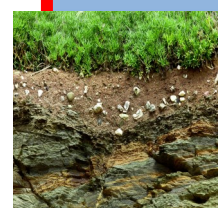

Archaeologist

Research scientist

In Science we will:

- Learn about what rocks and soils are made up of.
- Learn how to group together different types of rocks and soils.
- Learn about how fossils are formed.

In Art we will:

- Learn about how to use clay and how to create clay models.
- Create our own 'Lion Man' sculpture.
