

# Ryders Green Primary School

## PE Grant expenditure: report to parents 2015/16

<b>Total amount of PE Grant received</b>	£10,285
<b>Background</b>	
<p>The Primary PE and Sport Grant is designed to help primary schools improve the quality of the PE and sport activities they offer to their children. The Government is spending over £450 million on this funding over 3 academic years, 2013 – 2014, 2014 – 2015 and 2015 – 2016. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.</p> <p>Examples provided by the Government of what schools can use the funding for are;</p> <ul style="list-style-type: none"> <li>• hiring specialist PE teachers</li> <li>• hiring qualified sports coaches to work with teachers</li> <li>• providing existing staff with teaching resources to help them teach PE and sport</li> <li>• supporting and involve the least active children by running or extending school sports clubs</li> </ul> <p>Ryders Green Primary school received a lump sum of £8000 plus £5 per child in Year 1– 6 for 2015-16.</p>	
<b>How the grant is being used</b>	
The funding received from the PE Grant will be used in the following ways:	
Swimming provision for children for Year 2 and 3.	£1400
Employing a local sports coach to work with children during lunch times, in order to increase involvement of all children in physical activity.	£7400
Providing high quality PE coaching by upskilling standard of teaching. 16 sessions over 8 weeks	£1440
<b>Measuring the impact of PE Grant</b>	
<ul style="list-style-type: none"> <li>• Every child gets the opportunity to develop their team skills through a team game every day. Developing team skills has resolved any possible negative behaviours during lunchtimes.</li> <li>• The standard of teaching and learning in P.E has continued to improve by teachers being upskilled by a Sports Coach. (Spring Term – all lessons observed were judged at least good)</li> <li>• 3% of children were able to swim in Year 2 and 3. Now <b>all</b> children are more confident with water and are on track to be able to swim at least 25 metres by the end of Year 6.</li> </ul> <p>The school will continue to measure progress and achievement through internal monitoring.</p>
